Joe,

Here is the link to the Dropbox shared folder "Schneider file xfer": https://www.dropbox.com/sh/cyjst39z82rsiog/AAAs-4NL2MsxKH_q2uTdpZdGa?dl=0

Please give this a couple of minute to sync before accessing.

I still need to get you copies of Johns' and Northern Rockies Neuro-Spine's (NRNS) tax returns for 2012. This is frustrating because I am sure that I had them. I have asked John for copies and ,if he doesn't have them, I can get them from the accountant.

Please let me know if there is anything else you need. My goal is to be able to conclude the 341 on the 23rd and avoid having to come back to Billings in February.

Her email address is llund@jvwlaw.com.

The Dropbox is fine. We are in the process of preparing a motion to compel but if you and Ross get the documents to me I will just withdraw it.

Joe,

I am in the process of preparing to send you the pre-341 documents. My recollection from the Madill case was that you preferred to have the documents sent to your paralegal as well as yourself. Is this correct and, if so, can I have her email address?

There is a lot of stuff so I thought that I would set up a Dropbox shared folder and give you access to it. This will avoid multiple emails; breaking up large files to fit email attachment limits etc. and the resulting product should be more useable by you. Is it okay to use this process?

I was not planning on sending you documents regarding Schneider Limited Partnership as Ross is going to forward them.
